Sunday, March 7, 2010
Location: CSA Offices
1-6 pm

The State Diploma Course is designed to help coaches working with players in the 5- to 10-year age range. Special emphasis is placed on understanding the physiological and psychological differences of coaching children. The course is designed to emphasize that the game itself essentially is the teacher and the focus of the coach at this level clearly is as facilitator. The curriculum focuses on the organization of a practice session, using small-sided games to enhance knowledge and fun, basic understanding of the Laws of the Game and information about the care and prevention of injuries. There is no testing in the State Diploma.
