

### Saturday 16s Concorde.

The 16s played a very hard fought game against a strong Concorde Fire team. Concorde went 2-0 up in the first half before Asa Kryst scored a great left footed strike to put us back into the game. We continued to press until the end, coming close with some good chances. In the end 2-1 to Concorde was a fair result but it was still a solid performance overall.

### Sunday 16s vs Lightning

On Sunday the 16s scored early and often in a game that we totally dominated from start to finish. Asa Kryst scored a hat trick, Ben Burdon scored two, and Austin Yearwood scored a great strike from a free kick. The passing and movement was exceptional, with many wonderfully worked moves capping off a great attacking display. Defensively we were solid, giving away very few chances on the way to well deserved shut-out victory. The goal of the game was scored by Kryst, finishing off fantastic inter play from Wilson up to Burdon, back to Parker and then through to Kryst who then coolly finished.

### Saturday 18s vs Concorde Fire

The 18s made a good account of themselves playing arguably one of the best opponents that they have faced this season. Trailing by a goal, Nick Barnhorst was destined to score the equalizer with a well placed looping header off a Gentile cross, only for the Fire keeper to pull off a world class tip over the bar. Jono Grad forced the keeper into another great diving save as Charlotte tried to mount a comeback. Later in the second half, Concorde managed to find the insurance goal to earn a 2-0 victory in a very well played, intense game.

### Sunday 18s vs Lightning

On Sunday morning the 18s wasted little time in asserting their authority over the Atlanta Lightning. Giuseppe Gentile headed in a well delivered cross from Thomas Allen to open the scoring in the first half. Soon after, Gentile added a second striking low past the keeper having been played through by **Sean Cogan**. Leading 2-0 in the second half the team looked comfortable, creating good chances to take a 3-0 lead, but the Lightning struck in the last minute to bring the score back to 2-1 before the final whistle blew.
