### **CSA US Development Academy continue Home Games**

Concorde Fire and Atlanta FC Lightning travel to Charlotte

The CSA US Soccer Development Academy teams continue their home season this coming Saturday and Sunday playing against Concorde Fire and Atlanta FC Lightning respectively. The games are at Elon Park on Saturday and at Davie Park on Sunday. Game times and locations are as follows:

2pm U16 CSA vs. Concorde Fire (Saturday)

4pm U18 CSA vs. Concorde Fire (Saturday)

10am U16 CSA vs. Atlanta FC Lightning (Sunday)

12pm U18 CSA vs. Atlanta FC Lightning (Sunday)

There will also be a pre-academy friendly U14 game at 2pm at Elon on Saturday. Admission is free to the public.

“We are looking forward to hosting the Concorde Fire and Atlanta FC Lightning clubs over the weekend”, said Richard Butler, CSA’s Director of the US Development Academy program. “Both of our squads had good results last week, but more importantly, they both played good soccer in all four games. This weekend the boys need to build on this foundation that they have set. I expect both Atlanta teams to be raring to go as they have not had a game for several weeks. So we must be especially ready to deal with that aspect of the game”.
