**CSA US Development Academy On The Road Again**  
Club travels to Virginia Rush and McLean this weekend

The CSA US Soccer Development Academy teams continue their Atlantic Division schedule this Saturday and Sunday playing against the Virginia Rush and McLean Youth Soccer respectively. Game times and locations are as follows:

10am U16 CSA vs. Virginia Rush (Saturday)  
12pm U18 CSA vs. Virginia Rush (Saturday)  
10am U16 CSA vs. McLean Youth Soccer (Sunday)  
12pm U18 CSA vs. McLean Youth Soccer (Sunday)

“This weekend we continue our road travels firstly in Virginia Beach at the Virginia Rush and then on to Northern Virginia to play McLean Youth Soccer. We will definitely play in Virginia Beach but the McLean game presently is still up in the air due to the snow still on the fields”, said Richard Butler, CSA’s Director of the US Development Academy program. “Once again I expect four highly competitive games from two established clubs. The U18s should expect especially tough games as the Rush lead the Atlantic Division and McLean are in second place. McLean are also in second place in the U16 division, while the U16 Rush team has had many close results so far this season without picking up wins along the way. Once again, I will be back in Virginia facing coaches and teams that I used to face on a weekly basis. I’m certainly looking forward to it as are the players. Thanks for all your support”.
