

## **Welcome Letter From CSA's Executive Director and President**

The CSA Board of Directors and CSA Coaching staff would like to take this opportunity to welcome you to tryouts for the 2011 - 2012 season. In 2009, CSA was created with the merger between South Charlotte Soccer Association and Charlotte Soccer Club to create the city's only full service club offering every level of play to its member families. The first two years have been a fantastic success and as we enter year three, we are very excited at continuing our mission to be one of the country's top level clubs.

CSA will continue providing children an opportunity to enjoy a higher level of soccer while still benefiting from team experiences in the same manner as in the past. The club continues to foster this family atmosphere while providing a soccer experience at the highest level of play available in the Carolinas. Our full time Directors of Coaching and Executive Director provide a professional soccer atmosphere and a level of experience unsurpassed in the Charlotte region.

CSA is proud to be a member of US Soccer's Development Academy; we are one of only 80 clubs in the nation and one of four in North Carolina to offer this highest level of youth soccer on the men's side. CSA also participates in the women's Elite Club National League which features 66 of the top clubs in the country and is just one of two North Carolina clubs.

The CSA coaching philosophy is to bring young players together in a common setting of positive instruction based on the basic fundamentals of the game while instilling a personal sense of self worth-both to themselves and the common good of the team. Each player has a part in striving to attain the team's goals for the season.

At CSA, we strive to provide a professional and family environment where players can improve their soccer skills, learn the lessons that playing in a competitive team sport environment brings and, most importantly, enjoy the experience and stay involved with the game, in some capacity, for the rest of their life. While winning is important, it is not the only thing, which is why a major part of our program is player development.

Good luck in your tryouts!

Brad Wylde  
CSA Executive Director

John Koslick  
CSA President

## Charlotte Soccer Academy Tryout and Post-Tryout Information & Summer Schedule

### *How do I find out if my child made a team?*

No offers will be made at the tryout venue. To be fair to all players, the coaches must spend every possible moment evaluating the players. At the venue, the coaches will be unavailable to answer questions or discuss teams or players.

If your child is selected for a team, the team's coach or the age group DOC will contact you by telephone with an offer. He/she will instruct you that you have 24 hours from that time to accept the position. All parents/players will be called no later than 48 hours after the last age group tryout session, whether they have made a team or not.

### *How do we commit to a team?*

First, tell the coach or DOC that calls that you will accept the offer. Please make a note of the team and coach name at that time. If you want to think it over, please call or email the coach within the 24 hour period to guarantee your spot. Second, **you must register online and pay the commitment fee.** If you do not register for the team and pay the commitment fee online within 24 hours, you will not be guaranteed the spot you were offered, nor will you receive important email updates from the club.

#### Instructions for registering online:

- Go to our website [www.charlottesocceracademy.com](http://www.charlottesocceracademy.com).
- Click on the link titled **TEAM COMMITMENT AND PAYMENT** link on the left side.
- Follow the detailed instructions provided for either **CHARLOTTE** or **NORTH CHARLOTTE/CABARRUS** team registration.

### *When do I meet my team and coach?*

If your child is placed on a team, it is **very important** that you and your child attend the post-tryout meeting for your age group. At these meetings, you will meet the CSA Board and the DOCs, your coach and your teammates. You will complete important registration paperwork and select uniform sizes and numbers.

#### **Meetings for CSA-North/Cabarrus teams will be held as follows:**

# Preseason Team Camp

## Monday-Thursday, August 1-4, 2011

**Charlotte Soccer Academy will kick off the season with Preseason Team Camp.**

**CSA players are expected to attend camp with their teams.**

Camp curriculum will focus on all aspects of the game with a topic for each day and plenty of individual technical training designed to prepare each player for the season. In addition to the individual-based technical training, we will have a tactical component for teams to work on each day. New this year is the intra-club league, with a daily game schedule to give teams the opportunity to apply what they have learned to game situations.

**Times, locations, and additional information will be posted on the Club website soon.**  
**Registration information will be available online at [www.charlottesocceracademy.com](http://www.charlottesocceracademy.com)**
