

CSA Cabarrus Pre-Tryout Meeting Notes
Wednesday, May 12, 2010
Overcash Soccer Complex

- Excited about our 2nd year as CSA.
- The only full service soccer organization in this area.
We can provide all levels of play ranging from recreation to challenge, classic, premier, region 3 and the national level programs.
- We are proud and honored to be a part of the two national level programs under US Soccer.
 - US Academy for older boys (U16-U18), one of only 77 clubs in the country, only 4 in NC.
 - Elite Club National League girls (U15-U18) one of only 52 clubs in the country, 2 in NC.
 - If your child has aspirations to play at the highest level you are at the right place at CSA.
- We are also proud to offer soccer for those who just love to play the game and can continue to progress and develop through our ranks.
- Calendar of events see attachment.
- Tryouts week of May 24th, strongly encourage all players to preregister prior to on www.charlottesocceracademy.com.
- Format of tryouts
 - 1st day short sided.
 - 2nd day build into bigger numbers.
 - GK trainer at both days.
 - No on field offers, everyone will get a phone call offering place on a team if we have one. Family then has to go back online and register their son/daughter for the respective team and pay \$200 commitment fee
 - We then see you on June 11th at the Hilton Garden Inn Ayrley in Charlotte for registration.
 - All details on tryout registration will be in tryout packet you will receive at tryouts.
- Phenomenal staff up north led by Director of Coaching for our Cabarrus Program Erik Imler. (Please see team/coach list below.)
- Information on Erik and our staff can be found on our bios page on our website.
- Players are always being looked at to make the higher level premier, region and national level teams that are in Charlotte. Some players have been identified as potential premier level players for next season. It is our goal to build teams up north, but if your son/daughter is at a level higher than a respective team we form up north we would make sure you are given the opportunity to drive to Charlotte and be looked at to make a higher level team. This decision is always up to the family but Erik will advise you as to where your child falls and recommendations on what we feel would be in the best interest of your child.
- We have a goal in place this summer to sign a priority usage agreement with the Overcash Soccer Complex to improve on our training site. We are looking to reseed our playing fields, improve the road as we drive into the park and light the fields for the fall. More details will follow on our project in the coming weeks.
- If you have any questions on tryouts or the club, please do not hesitate to connect with Erik Imler or myself so we can put your minds at rest leading into tryouts.

Thanks
Brad Wylde
Executive Director CSA
